**UPGRADE THE WAY
YOU PRESERVE AND
PROLONG THE LIFE OF
RAW AND PREPARED FOODS
WITH THE LATEST ADDITION
TO THE PATENTED VACSY®
SYSTEM, VACSY PUMP DELUXE.**

KEY BENEFITS:

5x Longer Food Freshness: Like its predecessor, the Vacsy Pump Deluxe removes air from containers to **preserve food's flavour, freshness, and shelf life.** Keep your raw goodies and ready meals at their best for up to 5 times longer than in traditional refrigerator conditions.

Unmatched Versatility: Vacuum-pack fresh or prepared foods and drinks directly into VacSy® Containers, Bottles, Bag Rolls or Zepter Cookware. Experience the **convenience of preserving your culinary creations in organized, mess-free and diverse way.**

Remarkable Efficiency: The Vacsy Pump Deluxe is designed for both professional and home use. Whether you're a seasoned chef or a home cook, this patented vacuum system is **your ultimate tool for food preservation in a healthy way.**

KEY FEATURES OF VACSY® PUMP DELUXE:

VACUUM PUMP DELUXE

Compact & Lightweight: The Vacsy® Pump Deluxe is smaller, lighter, and more convenient to use than its predecessor. You'll love its effortless handling and easy storage.

Whisper-Quiet Operation: The Vacsy® Pump Deluxe operates silently, making your kitchen a peaceful sanctuary.

Extended Battery Life: Our built-in rechargeable battery keeps going for approximately 1.5 hours of continuous use. In standby mode, it remains charged for about 35 days!

Smart Indicator: A red light signals the end of the vacuuming process, while the blue light shows the battery status.

Cordless Freedom: With smart cordless technology, experience the convenience of mobile and easy handling anywhere, anytime.
